### Benefits of CICB's On-Site Training Programs:

**Customized Training:** On-Site Training is customized to meet your specific equipment, operational needs, regulatory codes, and personnel's background.

**Flexible Schedule:** First, second, or third shift, weekends or even holidays—your schedule is our schedule—we provide training as your calendar requires.

**Cost Effective:** On-Site courses are a great value, regardless if only a handful of employees or an entire department requires training. This method eliminates the need for travel or per diem costs.

## **Training to U.S. Navy Standards**

CICB offers crane and rigging training in accordance with NAVFAC P-307 to Navy and Marine Corps enlisted personnel, employees and contractors to achieve and maintain compliance with the requirements of NAVFAC P-307.

## **Training to U.S. Army Corps of Engineers Standards**

EM 385-1-1 requires crane & rigging training to help USACE personnel achieve and maintain the highest level of crane safety. Contact CICB for on-site training in compliance with EM-385-1-1.

Training • Inspections • Certifications

Crane Inspection & Certification Bureau

**CICB's curriculum is designed to deliver solutions to real time maintenance and operations problems and situations in construction, operations, and maintenance environments. Also, at your request, any of our programs will be customized to meet requirements for your company policies and safety standards and/or use of specific lifting equipment, job tasks or personnel.**

**You can also find out more about our training by visiting  
[www.cicb.com](http://www.cicb.com) or call us at (800) 327-1386.**
